**REQUEST FOR CERTIFICATE
OF CORRECTION**

Sir:

Pursuant to 35 U.S.C. §§ 254 and 255 and 37 C.F.R. §§ 1.322 and 1.323, this is a request for the issuance of a Certificate of Correction in the above-identified patent. Two (2) copies of the PTO Form 1050 are appended. The complete Certificate of Correction involves one page.

The following mistakes identified in the appended form are errors made by the United States Patent and Trademark Office. The inventor's name, Jianyuan Cheng, is misspelled through no fault of the Applicants. The spelling of the inventor is correctly indicated in the Issue Notification (copy attached).

In claim 5, column 7, line 19, the word "absorbing" should be replaced with the word "sorbing," to reflect the claim submitted by Applicants on August 27, 2004.

The remaining mistakes identified in the appended form are errors made by the Applicants. In the Abstract on the title page (57), line 2 after "matrix may", the word "by" should be replaced with the word "be." In column 5, line 4, the word "or" should be replaced with the word "of."

This request for a Certificate of Correction is accompanied by the fee of \$100.00 set forth in 37 CFR §1.20(a) because several of the errors for which correction is requested were not the fault of the Patent Office.

The Patentee respectfully requests favorable consideration of this request and issuance of a Certificate of Correction.

The Commissioner is hereby authorized to charge the required fee, any deficiencies or credit any over payments to the undersigned's account, Deposit Account No. 500214. A duplicate copy of this request is enclosed.

Respectfully submitted,
